

EXPERIENCED RELIABLE PROFESSIONAL

PROTECTING YOUR WORLD WITH COMMERCIAL BUILDING SECURITY

Teachout Security Solutions is uniquely qualified to address all aspects of a commercial building's security needs. Teachout professionals have been successfully protecting a wide variety of multi-story buildings and large complexes since 1981. Our management and supervisory staff engage in extensive pre-planning with your facility team to properly develop an action plan to meet your property's unique requirements, such as:

- Guest and Client Relations
- CPR & AED Certified
- Uniform Style – Soft or Military
- Perimeter Security
- Patrol of the Property
- Access Control
- Surveillance of the Property
- Emergency Procedures
- Law Enforcement, Fire, & Emergency Medical liaison
- Personal Protection of VIP's or Dignitaries
- High Visibility of a Professional Security Officer
- Handling high volume phone service
- Customer service and professional image

Our officers are aware that they are not only representing Teachout, but your organization as well. Professional, reliable and prepared are the hallmarks of our world class services.
