

EXPERIENCED RELIABLE PROFESSIONAL

Don't let your profits walk out the door

At Teachout Security Solutions, we understand that this is the critical shopping season for our retail customers. We also understand the loss prevention tactics needed to protect your property from shoplifters and employee theft. Teachout offers:

Uniformed and Plain Clothes Loss Prevention Officers, who are trained to act as a deterrent to reduce theft as well as detect and detain suspects.

Armed Security Officers are available for either long term or short term assignments, including Alarm Response situations. Additionally, our Armed Officers can be either uniformed or plain clothes depending upon the situation.

For nearly three decades, Teachout has been setting the standard in uniformed security. Officer retention is important to both our clients and us. We have established a program that gives us one of the highest retention rates in the industry while motivating our employees to top performance. Our officers are aware that they are not only representing Teachout, but your organization as well.

Professional, courteous and prepared are the hallmarks of our world class services.
